

BL, Maps K.6(6);

Royal Society, Smeaton Collection, vi. fo.87.

Scale 1.33 inches to 1 mile.

Made in 1741 by William Whittenbury, surveyor to the Lee Trustees.

He surveyed the river above Stanstead himself, but for the rest he relied on a map, no longer available, made in late 1730s by John Walton: Trustees, 3 August 1741.
